Col. Sir Sri Krishnaraja Wodayar Bahadur, G.C.S.I., G.B.E.,

M a h a r a j a of M y s o r e.

The humble memorial of C,Doraswamy Iyengar,

May It Please Your Highness;

I respectfully beg to be permitted to state, by way of dutiful introduction, that I belong to a family which, for some six generations, has furnished public servants of this State who during their lives rendered approved services in positions of high trust andresponsibilities: My Great-grand father -- not to go further backward -- (Mr. N.Narasimha Iyengar locally known as the Tumkur Dewan) having after about 40 years' service retired as an Assistant Commissioner of the First Class during the Mysore Commission; my Grand-father (Mr.V.N.Narasimmiyengar as a Palace Controller after having been for years a Deputy Commissioner, District Judge, Census Superintendent &c., my father (Mr. T.Chokkanna) as a Senior Assistant Commissioner after being an Offg, Deputy Commissioner, Forest Settlement Officer &c.

I graduated in Arts from the Mysore University in 1924 having taken Physical Science as my optional subject and Sans=krit as my Second language.

I have had to consider the problem of what profession is to be chosen. The official record of my immediate ancestors down to my father has been one of services rendered to this State in the Revenue Department of its Public Service. I feel naturally inclined to follow their foot-steps and beg to throw

myself on Your Highness' gracious indulgence with the prayer that I may be appointed a Revenue Probationer with a starting salary of Rs.100/-. In Your Highness' generous grant of this prayer, I shall have found a stepping stone to an official lif of devoted service to the throne, my sense of duty being foste by deep gratitude and by a memory of the high positions held by my family in the Public life in this State.

With sentiments of profound loyalty and humble devotion,

I subscribe myself,

Your Highness' most humble servant,

C. Doraswamy Iyengar.

M Y S O R E.

May it please your Highness,

The humble memorial of B.R.Rajiengar showeth:

Your humble servant had the honour to receive at your Royal Highness' command admission into the Royal School at the Metropolis as companion to Rajkumar C.Desaraj Urs in the year 1913 on the score of your humble servant having the pedigree as the great grandson of late Savar Cutcherry Bakshi Venkatachar and the grandson of the late District Judge B. Thirumalacharlu. Your humble servant hereof owes a double duty to your Royal Highness - all faithful obedience to your Highness and his whole heart and good will for your singular goodness. Yet as your humble petitioner daily wishes and prays that your Highness may long long remain both highest sovereign and greatest benefactor unto him, he humbly beseeches your Highness to take into *your benign* consideration that your humble petitioner has ever been upon a march and has secured a pass at the B.A. Degree Examination of the Madras University held in April

last. If these few lines shall have the happiness to come to your Royal Highness' hands, they can assure your Highness that he who sent them knows no one whom he owes more obligation than to your Royal Highness and to whom he would more willingly serve. The gracious bounty shown to your petitioner makes him bold to approach with this humble memorial that excellence of your Royal Highness which he had every day in view and of which he has experienced many a proof, to procure him admission into the services of your Royal Highness' State as a Probationer. And so your Highness may command your humble petitioner's body's services and hold him as willing agent of your Highness' bidding.

Your Highness' most obedient & faithful servant,

B. R. Rajiengar

Respected Sir,

I, the humble memorialist, beg to bring the following few lines to your kind consideration.

2. I am given to understand that Mr. Ahmad Ali, who was recently appointed as Revenue Probationer, has declined the offer. I therefore request that my son-in-law Mr. F. Mohamad Abdur Rahim, B.A., who is a Clerk in the Revenue Commissioner's Office for the last 3 years may kindly be appointed in the said vacancy. He was selected for this post by the Committee appointed to nominate candidates in the month of July 1923 and directed to appear in person before the Dewan. As he was the only Mohomedan candidate selected, it was quite certain that he would be finally appointed to that post. But the Government appointed Mr. Mir Safdar Hussain instead. Now as the same post has fallen vacant, I beg that my family claims may also be taken into consideration and favourable orders passed this time.

3. As for my family connection, I beg to state that I am the daughter of the late Khan Bahadur Abdur Rahman Sahib, Member of the Executive Council of the State. Besides Mr. Abdur Rahim belongs to a very old and respectable family of the Kolar District, as will be seen from the enclosed copy of the Certificate given by Mr. Zahiruddin Mecci, the Deputy Commissioner of Tumkur District, when he was at Kolar.

4. Hoping that my humble prayer will meet with success at your kind hands,

I beg to remain,

Respected Sir,

Your most obedient servant,

This is to certify that Mr. M.Md. Abdur Rahim, B.A., is known to me. He is well behaved and belongs to a very old and respectable -- family of Kolar, his ancestors having held the office of the Foujdar in hereditary succession during the reign of His Highness the late--- Maharaja Sri Krishnarajendra Wodiyar Bahadur and subsequently, and some the office of Tahsildars in the District. The family still enjoys a Jagir , Ramanaikanapalya, in the Bowringpet Taluk, conferred on them by Government as Masjid Inam.

Respected Sir,

We, the following residents of Kolar beg to represent the following few lines for your kind and benevolent consideration.

We are given to understand that Mr. Ahmad Ali, who was recently appointed as a Revenue Probationer, has declined the offer, and therefore we represent that Mr. F. Md. Abdur Rahim B.A., who is a clerk in the Revenue Commissioner's Office and who was first selected for the above post when a Committee was appointed for the purpose in July 1923, may be bestowed upon this present vacancy. He was the only Mahomedan candidate that was asked to appear before the Dewan in July 1923 and as such, we were quite certain that Government had done us justice, and would appoint him to that post, as an only Mahomedan graduate from this District. But we were disappointed in the end.

However, the post has again fallen vacant and we beg that Mr. Md. Abdur Rahim may be appointed this time at least, thus doing justice to this District as he belongs to a very old and respectable family of the District, his ancestors having held the office of the Foujdar in hereditary succession during the reign of His Highness the late Maharaja Sri Krishnarajendara Wadiyar Bahadur and subsequently and some the office of Khiledars in the District. The family still enjoys a

Mahomed Abdur Rahim has got nearest relationship with the late Khan Bahadur Abdur Rahim Sahib, the Member of the Executive Council of the State and the late Mr. Mahomed Peer who died a year back as Sub Division Officer of Tarikere.

We beg once more that he may kindly be appointed as Revenue Probationer.

2. That your humble petitioner is the eldest son of an old Head Accountant of the Comptroller's office, Mr. Syed Kumruddin who recently retired from service after serving the Mysore State for over 40 years. I most respectfully beg to bring the following facts to Your Highness' benign notice with the sanguine hope that they will meet with success.

I beg to state that I am the third son of the late Dr. M. C. Nanjunda Rao, B.A., M.B.C.M., My father was a loyal subject of Your Highness's State though a resident of Madras professionally. It was his ambition and often he expressed it to his sons that one of them at least should be engaged in the service of Your Highness's state. But before his sons came to be fully equipped for that service and he could realise his soul's ambition he passed away. I have now passed the B.A. Degree Examination of the Bombay University and am the first to attain the Academic degree. I am anxious to serve in Your Highness's State. I beg to apply to Your Highness for a suitable post. Should you be graciously pleased to confer on me the post of a probationary Assistant Commissioner in the ensuing nominations, nothing shall be wanting on my part to do justice to it.

Most respectfully and humbly trusting in Your Highness's gracious compliance with my request,

I beg to remain,

Respected Sir,

I beg to represent the following for favour of kind consideration and disposal.

It was nearly about 9 years ago that the late Dewan Saheb Sir.M.Kantharaj Urs had come to Anekal Taluk with the then Deputy Commissioner of Bangalore District. These came there - upon my prayer, for the opening ceremony of the school which I gave away to the Government. I remember that great Statesman, Sir M.Kantharaj Urs talking kindly to me and encouraging me - educate my boys if any.

I belong to Anekal Taluk and I am an Excise Contractor by profession. It will be indecent, I feel, to lay before your Honour all the details of my good deeds to the Public. The Late Dewan Saheb was perfectly impressed that I was of Philanthrophic nature. Anekal the Southernmost part of our State is very often subject to famine and the mostly illiterate mass of people here were helped by me till the danger of famine was averted. I got a school - built at a cost of about Rs.8000/- and gave it away to the Government. I belong to a very Backward community and but for the encouragement of the late Dewan Saheb I would not have had the idea of educating my boys. As I had no children that could be educated I adopted a certain boy, who despite of the obstacles that come in his way, due to the uneducated nature of our community, rose up distinctly like the brightest star in the blackest night. Our people do not educate boys, and now since my boy passed the B.A. Degree Examination this year, the dull spell that clouded around our people is gone and every one educates his boys. But my boy who knows the present day affairs has been telling his brethern

to educate them a little and then resume their work of land cultivation. My boy had a very bright career throughout and was specially proficient in Mathematics and English and in the S.S. L.C., Examination of 1921 he got 100% in Mathematics. Then he took up Physics and Chemistry in the College and passed the B.A., Degree Examination this year inspite of his ill-health at the time of examination. I do not like to make much of my boy although he deserves to be made much of for his good nature, right conduct, and clear intelligence.

On these points, I would have dared to approach the Late Dewan Saheb if he were alive for taking my boy B.Narayanaswamy as an Assistant Commissioner. But I find, now people more - educated than my boy attempting at that position. My earnest prayer is to have my boy taken either as a Revenue Probationer or as an Excise Probationer. I hope my voice in the matter will not be one in the wilderness.

Honoured Sir,

The undersigned humbly begs of you for kind perusal & favourable disposal of the following representation.

(a) About 9 years ago as your Honour is well aware my (adoptive) father, Mr. Muniswamappa of Anekal gave away to Govt a school costing Rs 15000/- for the opening ceremony of which the late dewan saheb Sir, M. Kantaraje Urs also had come.

(b) I belong to the Hindu-Telugu Banajiga Community which is most backward in the state & among our people here there is scarcely a single man that can atleast sign his name in English. My adoptive father has given me sound education. I passed the S.S.L.C. examn. of 1921 in first class getting distinction in mathematics (100%) & the next year (1922) I passed the U.E. examination. This year I passed the B.A. degree examination.

(c) Now Mr. Muniswamappa has grown old & Weak. He has fed the starving poor in times of famine. He has helped a great many students for ~~their~~ their education. He has got wells exacavated for public use. Unluckily for him & for me the late dewan saheb Sir, M. Kantaraje Urs passed away The only man to whom I can represent my grievance & offer my prayer is your Honour

Honour only.

Prayer:-

Honoured Sir, in view of the public services done by my father; in view of the backward nature of my community & in view of my getting the degree(which so far as the illiterate nature of our community is concerned is creditable indeed) I humbly pray to you to talk to the present dewan saheb if necessary & have me employed either as a Revenue probationer or as an excise probationer.

Sir,

With due deference I most humbly beg to offer myself as a candidate to the Revenue Probationer's post which, I hear has fallen vacant consequent on the resignation of the same by Mr.Ahamed Ali who had recently been appointed as Revenue Probationer. I strongly hope that my humble application will meet with your magnanimous and favourable consideration.

I took my B.A. degree from the Central College, Bangalore in 1924, my optional subjects being Physics and Chemistry. I am about 22 years old now. I belong to a highly respectable family whose members have done a good deal for the welfare of the State. My grand father Mohamed Ismail Saheb of Mysore retired Regimentdar served throughout his service in the Mysore Horse to the fullest appreciation and highest satisfaction of his superiors. His father, my great grand father also served in the Mysore Horse and retired as Resimentdar. In the whole history of the family I am the first man to pass the B.A. degree examination. I most humbly request you, therefore, to consider my case most favourably and accept myself as the candidate for the said vacant Revenue Probationer's post, in recognition of the daring and faithful services rendered by my ancestors. I am fully confident of doing full justice to the post if it is kindly confirred on me.

Most humbly and heartily thanking you

in anticipation,

I beg to remain,

Sir,

Your most obedient servant,

Abdul Khaliq Shariff.

Sir,

The humble memorialist C.N. Gopalaswamy Naik, Clerk in the General and Revenue Secretariat most respectfully submits this his representation with the prayer that it may be placed before Government for sympathetic consideration.

The Memorialist is a Mysorean by birth, his native place being Chickballapur and is 26 years old.

He is a Graduate of the Mysore University, having passed his B.A. in the year 1922-23 with physics and Chemistry as optional subjects and ~~that~~ he has also passed Accounts(higher) and Revenue (higher) of the M.L.S. and Pleaders' Examinations.

He belongs to a very backward community of Bedars, many of whom have been serving in the Military Department and are staunchly and faithfully devoted to the Government of His Highness the Maharaja of Mysore and his father-in-law was also serving in the Department, who has ancestors whose names, in high positions of life, are rendered conspicuous by their undaunted spirit and by the consequent winning of valuable medals and marks of high appreciation both under the Mysore and the British Commanding Officers.

His community is so backward that there are, as a latest Census Report shows, only 109 people receiving English Education in the community though ot stands the fourth with a population of 2,71,134 and that it has not more than 20 men in the lower grades of service, while it is not at all represented in the higher ones.

Seen. Please put up with the main file.

13 JAN 1925

(Registered as No. 9)

He begs to state that the members of his community are too illiterate and too backward to realise the healthy organisation of Committees and Societies for promotion of Education and adequate representation of their cause, thus affording him no chance of representing his case with the support of his men.

He begs your honor to kindly recommend him to the post of Revenue Probationer which is now vacant, in consideration of his belonging to a backward community, of his being the relative of a family which has rendered meritorious service to the Government of Mysore, of his being the second graduate of his community and of the fact that it is totally unrepresented in the higher grades of public service.

For which act of kindness the humble memorialist always feels grateful.

Your most obedient servant,

C. N. Gopalasamy Naik.

SIR, SRI KRISHNARAJENDRA WODEYAR BAHADUR,

G. C. S. I., G. B. E.,

MAHARAJA OF MYSORE.

May it please your Highness,

The humble memorial of Jagirdar Bakshi Mohamed Khan, most humbly and respectfully showeth:-

That in continuation of his joint humble memorial dated 19th December 1924 in connection with one of the posts of the Probationary Assistant Commissioner or Probationary Police Superintendent in Nomination to be conferred on his son Bakshi M. Husain Ali Khan, B.A., etc., the humble memorialist humbly begs to submit that that chance of being nominated has been missed since he was too unfortunate to be in time.

That of late he learns from reliable sources that Mr. Ahamed Ali, son of the late Mr. Husain Ali did not accept the post of the Revenue Probationer on Rs 80/-. Under the circumstances the humble memorialist begs to submit that the same post of Revenue Probationer may graciously be bestowed upon his deserving son, B.M.Husain Ali Khan who has fully qualified and has been getting a permanent salary of Rs 75/-, on consideration of his high family connections with Tippu Sultan, Mir Miran Nawab Mohammed Raza Khan Alias Raja Khan Saheb and Mir Miran Khane Jahan Khan Saheb; meritorious services rendered by his forefathers and his high academic qualifications.

That the humble memorialist further begs to submit that his son is the first Graduate in the Raja Khan Saheb's family.

A copy of the memorial with its enclosures already submitted

submitted is herewith submitted for Your Highness' kind perusal and favourable commands.

Craving Your Highness' Benevolence and Patronage, for which act of gracious generosity your most humble and loyal memorialist is, as in duty bound, to pray for your august Highness' long life, continued health and prosperity.

To

His Highness Colonel

Sir, Sri Krishnarajendra Wodeyar Bahadur,

G. C. S. I., G. B. E.,

Maharaja of Mysore.

May it please your Highness.

The humble memorial of Jagirdar **Bakshi Mohamed Khan** and his son **Bakshi M. Husain Ali Khan,** B. A, most humbly and respectfully showeth:—

1. That your memorialists are the descendants of Mir. Miran Nawab Mohammed Raza Khan Alias **Raja Khan Saheb,** Bakshi, Palace, Mysore, who was Commander-in-Chief under Tippu Sultan of Mysore and after his death was the Bakshi of several departments in the Palace under your Highness' illustrious grandfather.

2 That they are also connected with **Tippu Sultan** and **Mir Miran Khane Jahan Khan Saheb,** Commander-in-Chief under Tippu Sultan and father-in-law to Bakshi Raja Khan Saheb. Reference to the annexed Genealogical chart is respectfully invited.

3. That the said Raja Khan Saheb, during the reign of Tippu Sultan, held under him the high office of Mir. Miran (i. e. Commander-in-Chief) and ranked on a par with Dewan Purnaya of historic memory and Mir Miran Khane Jahan Khan Saheb. Subsequent, however, to the fall of Tippu Sultan, he was selected for the command of a Brigade of His Highness the Maharaja's Troops in which capacity he rendered signal services during the then rather disturbed times in quieting rebellion and assisting British forces in the same direction as the state records show. Reference to No. 8 (b) of annexed credentials is respectfully invited.

4. His valour, loyalty, fidelity and devotion were acknowledged by such officers as General wellesley (afterwards the Duke of Wellington,) colonels Close, Malcolm and webbe; besides Mr. A. H. Cole, the first British Resident at the court of Mysore.

5. Raja Khan Saheb was the one follower who, in spite of the wounds he received in the siege of Seringapatam faithfully clung to his master's side to the last. Rice in his gezetteer of Mysore Says:— "Tippu received a second and third wound and his horse was struck, while the faithful Raja Khan who still clung to his master's side was also hit. Raja Khan advised him to discover himself. "Are you mad ? Be silent." Was the prompt reply. He then made an effort to disengage his master from the saddle, but both master and servant fell in the attempt on a heap of the dead and dying.

6. After the capture of Seringapatam and the installation of His Highness the late Maharaja Sri Krishnarajendra Wodeyar Bahadur, he was employed as Bakshi in the several departments in the Palace and also disposed of suits in the old Adalat Court, then the highest in the Province under the orders of His Highness. These circumstances also will be found recorded in Rice' Gazetteer of Mysore (P.P. 415-631). In addition to his multifarious duties he was entrusted with the construction of the rebuilding of the old Palace of Mysore known as **Jatte Mahal** which was accidentally burnt down in 1897.

7 That your memorialists are in possession of an original letter marked No. 10 from Mr. A. H. Cole, the British Resident dated 16th Jan. 1824, addressed to Mr. James, his successor, from which it will be seen that the humble memorialists', forefathers enjoyed the full confidence of the Govt. and were held in high esteem by the British authorities of the time in the Province. The postscript explains how the letter came back to the memorialists' ancestors.

8. In appreciation of the services thus rendered both by Bakshi Raja Khan Saheb and Khane Jahan Khan Saheb, the village of **Dod Katur** 9 miles from Mysore and the village of **Nachanahalli** respectively, were granted as Jagirs; the former to this day continues in the enjoyment of the family. Subsequently many inam lands in Seringapatam Taluk and Mysore Town were also granted by His Highness Sri Krishnarajendra Wodeyar Bahadur for the proper performance of his and his sons' obsequies under sannads dated 17th July 1817 and 18th June 1823 respectively.

9. Raja Khan Saheb, his eldest son Chotta Raja Khan and after him, the brother of Chotta Raja Khan, all held the dignity of Bakshis and Judgeships in the old Adalat Court till the demise of His Highness Sri Krishnarajendra Wodeyar Bahadur in 1868. Besides these landed estates, two state pensions of Rs. 291-10-0 and Rs. 145-13-8 were conferred in perpetuity on Raja Khan Saheb and Khane Jahan Khan Saheb respectively and on thier lineal descendants.

10. In consideration of all these circumstances your Highness' 1st memorialist had the good fortune of being selected & admitted to the Royal School, where he during the long scholastic career of 8 or 9 years enjoyed all the benefits of a sound moral, intellectual and physical education with his Royal Master, His Highness the late Maharaja Sri Chamarajendra Wodeyar Bahadur, G. C. S. I., late Sirdar Sir, M. Kantaraja Urs, B. A., C. I. E., K.C.S.I., Dewan of Mysore, late Dalvoy Devaraj Urs, councellor and father-in-law of H. H. Yuvaraja; late J. Desraj Urs, Chief Commandant and brother in-law of H. H. the Maharaja of Mysore; H. Nunjundaraj Urs, retired superintendent of Amrit Mahal Deptt; Bakshi Mudaraj Urs and others, Reference to Nos. 1, 2, 3 & 4, is respectfully invited.

11. Yours Highness' 1st memorialist in keeping with the tradition of the family and with an ambition to serve the throne and the state, as his fore fathers did loyally, honourably and successfully, after completing

his education, joined service under your Highness' august father's regime and rose up to the post of Treasury Officer and retired as such in 1914 after completing 33 years' long and faithful service which was recognized and appreciated by several high offiicers of the State including Sirdar Sir M. Kantaraj Urs, B. A., C. I. E., K. C. S. I., V. P. Madhava Rao, B. A., Sir P. N. Krishnamurty snd other Dewans of Mysore. Reference to Nos 1, 2, 3 & 4, is respectfully invited.

12. Your Highness may be pleased to allow the memorialists to repeat here what the scion of that Royal family, late Sirdar Sir M. Kantaraj Usr, B. A., C I. E., K. C. S. I., Dewan of Mysore has said; "I have known **Mr. Mohamed Khan,** for many years both as a pupil in the Royal School and since. He comes of a respectable family in Mysore and has discharged his duties satisfactorily while in service. **I shall be glad to hear that deserving members of his family are encouraged.**" A true copy of the original letter is produced here below. Reference to No. 1, is respectfully invited.

13. Your 2nd memorialist has had the good fortune to successfully complete his educational career under your Highness auspices and complete his B. A., (Economics) Degree Examination, passing in II class from the M. A. O. College, Aligarh. He has completed his studies for L L. B., and has been completing the course of M. A., (Economics). During his college career he had also the good fortune to be associated with persons of rank and nobility, such as **Lieutenant Colonel Mohamed Hamidulla Khan,** B.A.,LL.B., the Prince and Heir-apparent of Bhupal State.

14. He had further the good fortune of obtaining laurels and approbations at the hands of professors and masters of the M. A. O. College, Aligarh.

15 Actuated and impelled by the same ideals of his forefathers to serve loyally and to the best of his abilities the Throne and the State, he joined as a temporary measure under your Highness auspices the Education Department of the State and is now holding a permanent place on Rs. 75/- a month. But in order to get a decent start in life as a Probationary Police Superintendent or a Probationary Assistant Commissioner, he has been trying since so far back as 28th April 1917, but his case has remained under consideration. The true copies of endorsements are herewith appended for your august Highness gracious perusal. Reference to Nos. 5, 6 & 7, is respectfully invited.

16. He has further had the good fortune to get a scholarship of Rs. 25/- a month to complete his M. A., and L L. B., Degrees at Aligarh. He has fully qualified himself with capacity, efficiency and faithfullness to be worthy of his famous ancestors as aforesaid morally, intellectually and physically to serve your Highnees' State in any office or rank, honour or responsibility. A medical certificate to the effect is produced herewith. Reference to No. 16, is respectfully invited.

17. While your memorialists and their predecessors are much beholden to your Highness for the encouragement and support given to the family; they most humbly and respectfully crave your Highness' mercy, grace and justice to be graciously pleased in recognition of the faithfull, eminent and long services rendered to the Throne and the State by this family for over these 125 years to bestow upon the Ist. memorialist's son **Bakshi M. Husain Ali Khan,** one of the places which are reserved for Nomination at your Highness' hands in the Mysore Civil Service this year.

For which act of gracious benevolence and patronage your most humble and loyal memorialists are, as in duty bound, to pray for your august Highness' long life, continued health and prosperity.

Craving Your Highness' Benevolence and Patronage,

We humbly beg to remain,

May it please your Highness,

To

Sir Sri Kantirava Narasimharaja Wodeyar Bahadur,
G.C.I.E.,
His Highness the Yuvaraja of Mysore,
B a n g a l o r e.

May it please your Highness,

The humble memorial of Jahagirdar Bakshi Mohamed Khan, Royal School, most humbly and respectfully showeth:-

That in continuation of his joint humble memorial dated 19th December 1924 to His Highness the Maharaja of Mysore, in connection with one of the posts of the Probationary - Assistant Commissioners in Nomination to be conferred on his son Bakshi M. Husain Ali Khan, B.A., etc. , the humble memorialist most humbly begs to submit that that chance of - being nominated as one has been missed since he was too unfortunate to be in time.

That of late he learns from reliable sources that Mr. Ahmad Ali son of late Mr. Hasain Ali did not accept the post of Revenue Probationer on Rs.80/-.

Under the circumstances the humble memorialist begs to submit that the same post of Revenue Probationer may graciously be bestowed upon his deserving son, B.M.Husain Ali Khan who has fully qualified and has been getting a permanent salary of Rs.75/- a month, on consideration of his high family connections with Tippu Sultan, Mir Miran Nawab Mohammed Raza Khan alias Raja Khan Saheb and Mir Miran Khane Jahan Khan - Saheb; meritorious services rendered by his forefathers and his high academic qualifications .

That the humble memorialist further begs to submit that his son is the first Graduate in the Bakshi Raja Khan Saheb's family in Mysore.

A true copy of the Memorial submitted to His Highness the Maharaja is herewith submitted for your generous - Highness' kind perusal and favourable recommendation to His Highness the Maharaja in the matter.

Craving Your Highness' Benevolence and Patronage, for which act of gracious generosity your most humble and - loyal memorialist who had been the classmate and associate of Your Highness' most illustrious father, His Highness the late Maharaja Sri Chamarajendra Wodeyar Bahadur, G.C.S.I., is, as in duty bound, to pray for Your Highness and Royal family's long life, continued health and prosperity.

He humbly begs to subscribe,
May it please your Highness,

To

His Highness Colonel

Sir, Sri Krishnarajendra Wodeyar Bahadur,

G. C. S. I., G. B. E.,

Maharaja of Mysore.

Bangalore
17-1-25

May it please your Highness,

The humble memorial of Jagirdar **Bakshi Mohamed Khan** and his son **Bakshi M. Husain Ali Khan,** B. A, most humbly and respectfully showeth:—

1. That your memorialists are the descendants of Mir. Miran Nawab Mohammed Raza Khan Alias **Raja Khan Saheb,** Bakshi, Palace, Mysore, who was Commander-in-Chief under Tippu Sultan of Mysore and after his death was the Bakshi of several departments in the Palace under your Highness' illustrious grandfather.

2 That they are also connected with **Tippu Sultan** and **Mir Miran Khane Jahan Khan Saheb,** Commander-in-Chief under Tippu Sultan and father-in-law to Bakshi Raja Khan Saheb. Reference to the annexed Genealogical chart is respectfully invited.

3. That the said Raja Khan Saheb, during the reign of Tippu Sultan, held under him the high office of Mir. Miran (i. e. Commander-in-Chief) and ranked on a par with Dewan Purnaya of historic memory and Mir Miran Khane Jahan Khan Saheb. Subsequent, however, to the fall of Tippu Sultan, he was selected for the command of a Brigade of His Highness the Maharaja's Troops in which capacity he rendered signal services during the then rather disturbed times in quieting rebellion and assisting British forces in the same direction as the state records show. Reference to No. 8 (b) of annexed credentials is respectfully invited.

4. His valour, loyalty, fidelity and devotion were acknowledged by such officers as General wellesley (afterwards the Duke of Wellington,) colonels Close, Malcolm and webbe; besides Mr. A. H. Cole, the first British Resident at the court of Mysore.

5. Raja Khan Saheb was the one follower who, in spite of the wounds he received in the siege of Seringapatam faithfully clung to his master's side to the last. Rice in his gezetteer of Mysore Says:— "Tippu received a second and third wound and his horse was struck, while the faithful Raja Khan who still clung to his master's side was also hit. Raja Khan advised him to discover himself. "Are you mad? Be silent." Was the prompt reply. He then made an effort to disengage his master from the saddle, but both master and servant fell in the attempt on a heap of the dead and dying.

6. After the capture of Seringapatam and the installation of His Highness the late Maharaja Sri Krishnarajendra Wodeyar Bahadur, he was employed as Bakshi in the several departments in the Palace and also disposed of suits in the old Adalat Court, then the highest in the Province under the orders of His Highness. These circumstances also will be found recorded in Rice' Gazetteer of Mysore (P.P. 415-631). In addition to his multifarious duties he was entrusted with the construction of the rebuilding of the old Palace of Mysore known as **Jatte Mahal** which was accidentally burnt down in 1897.

7 That your memorialists are in possession of an original letter marked No. 10 from Mr. A. H. Cole, the British Resident dated 16th Jan. 1824, addressed to Mr. James, his successor, from which it will be seen that the humble memorialists' forefathers enjoyed the full confidence of the Govt. and were held in high esteem by the British authorities of the time in the Province. The postscript explains how the letter came back to the memorialists' ancestors.

8. In appreciation of the services thus rendered both by Bakshi Raja Khan Saheb and Khane Jahan Khan Saheb, the village of **Dod Katur** 9 miles from Mysore and the village of **Nachanahalli** respectively, were granted as Jagirs; the former to this day continues in the enjoyment of the family. Subsequently many inam lands in Seringapatam Taluk and Mysore Town were also granted by His Highness Sri Krishnarajendra Wodeyar Bahadur for the proper performance of his and his sons' obsequies under sannads dated 17th July 1817 and 18th June 1823 respectively.

9. Raja Khan Saheb, his eldest son Chotta Raja Khan and after him, the brother of Chotta Raja Khan, all held the dignity of Bakshis and Judgeships in the old Adalat Court till the demise of His Highness Sri Krishnarajendra Wodeyar Bahadur in 1868. Besides these landed estates, two state pensions of Rs. 291-10-0 and Rs. 145-13-8 were conferred in perpetuity on Raja Khan Saheb and Khane Jahan Khan Saheb respectively and on thier lineal descendants.

10. In consideration of all these circumstances your Highness' Ist memorialist had the good fortune of being selected & admitted to the Royal School, where he during the long scholastic career of 8 or 9 years enjoyed all the benefits of a sound moral, intellectual and physical education with his Royal Master, His Highness the late Maharaja Sri Chamarajendra Wodeyar Bahadur, G. C. S. I., late Sirdar Sir, M. Kantaraja Urs, B. A., C. I. E., K.C.S.I., Dewan of Mysore, late Dalvoy Devaraj Urs, councellor and father-in-law of H. H. Yuvaraja; late J. Desraj Urs, Chief Commandant and brother-in-law of H. H. the Maharaja of Mysore; H. Nunjundaraj Urs, retired superintendent of Amrit Mahal Deptt; Bakshi Mudaraj Urs and others. Reference to Nos. 1, 2, 3 & 4, is respectfully invited.

11. Yours Highness' Ist memorialist in keeping with the tradition of the family and with an ambition to serve the throne and the state, as his fore fathers did loyally, honourably and successfully, after completing

his education, joined service under your Highness' august father's regime and rose up to the post of Treasury Officer and retired as such in 1914 after completing 33 years' long and faithful service which was recognized and appreciated by several high offiicers of the State including Sirdar Sir M. Kantaraj Urs, B. A., C. I. E., K. C. S. I., V. P. Madhava Rao, B. A., Sir P. N. Krishnamurty snd other Dewans of Mysore. Reference to Nos 1, 2, 3 & 4, is respectfully invited.

12. Your Highness may be pleased to allow the memorialists to repeat here what the scion of that Royal family, late Sirdar Sir M. Kantaraj Usr, B. A., C I. E, K. C. S. I., Dewan of Mysore has said, "I have known **Mr. Mohamed Khan,** for many years both as a pupil in the Royal School and since. He comes of a respectable family in Mysore and has discharged his duties satisfactorily while in service. **I shall be glad to hear that deserving members of his family are encouraged.**" A true copy of the original letter is produced here below. Reference to No. 1, is respectfully invited.

13. Your 2nd memorialist has had the good fortune to successfully complete his educational career under your Highness auspices and complete his B. A, (Economics) Degree Examination, passing in II class from the M. A. O. College, Aligarh. He has completed his studies for L L. B., and has been completing the course of M. A., (Economics). During his college career he had also the good fortune to be associated with persons of rank and nobility, such as **Lieutenant Colonel Mohamed Hamidulla Khan,** B.A.,LL.B., the Prince and Heir-apparent of Bhupal State.

14. He had further the good fortune of obtaining laurels and approbations at the hands of professors and masters of the M. A. O. College, Aligarh.

15 Actuated and impelled by the same ideals of his forefathers to serve loyally and to the best of his abilities the Throne and the State, he joined as a temporary measure under your Highness auspices the Education Department of the State and is now holding a permanent place on Rs. 75/- a month. But in order to get a decent start in life as a Probationary Police Superintendent or a Probationary Assistant Commissioner, he has been trying since so far back as 28th April 1917, but his case has remained under consideration. The true copies of endorsements are herewith appended for your august Highness gracious perusal. Reference to Nos. 5, 6 & 7, is respectfully invited.

16. He has further had the good fortune to get a scholarship of Rs. 25/- a month to complete his M. A., and L L. B., Degrees at Aligarh. He has fully qualified himself with capacity, efficiency and faithfullness to be worthy of his famous ancestors as aforesaid morally, intellectually and physically to serve your Highnees' State in any office or rank, honour or responsibility A medical certificate to the effect is produced herewith. *Reference to No. 16, is* respectfully invited.

17. While your memorialists and their predecessors are much beholden to your Highness for the encouragement and support given to the family, they most humbly and respectfully crave your Highness' mercy, grace and justice to be graciously pleased in recognition of the faithfull, eminent and long services rendered to the Throne and the State by this family for over these 125 years to bestow upon the Ist, memorialist's son **Bakshi M. Husain Ali Khan,** one of the places which are reserved for Nomination at your Highness' hands in the Mysore Civil Service this year.

For which act of gracious benevolence and patronage your most humble and loyal memorialists are, as in duty bound, to pray for your august Highness' long life, continued health and prosperity.

Craving Your Highness' Benevolence and Patronage,

We humbly beg to remain,

May it please your Highness,

Your Highness' most devoted, loyal and humble Subjects.

I am extremely well pleased that you have adopted the resolution of taking two companies from Chittaldrug as your escort to Poona, and I repuest that you will keep with you as long as you may require their services.

It is a satisfactory reflection that the Mysore Troops display so much zeal in our cause, and imitate with so much effect the example of activity and enterprize which our troops have set KHANE JAHAN KHAN'S Party appears to have manifested great strength in the affair which you mentioned, and I have no doubt but that it will have a decisive effect in despersing the Banditti on that part of our Frontier.

I beg leave to represent the following few lines with a fervent hope that this application will receive your best consideration and favourable orders.

Please put up a note about this and
ps 1/1

I beg to State that the marginally noted representations were submitted to your honour praying for a decent footing in Government Service under your honour's kind patronage. I applied for a Revenue Probationer's place last year, and I was one of the Sixteen members that were granted an interview, and your honour was pleased to promise that my case would receive due consideration, but unfortunately I was not selected in the finial list. Ordinary graduates, who had not even completed the Law Examination were entertained. I have been repeatedly represent-ing my case to the benign Govt for the past four years and my claims seem to have received little or no consideration whatever, and I have not been favoured with a reply.

P.T.O.

I now hear that some of the Revenue Probationers appointed last year have already been nominated as Civil Service Probationary Assistant Commissioners and their places have fallen vacant; and I beg to bring to your kind notice that my case may now be favorably considered while filling up the above vacancies. I am prepared to go to any of the Mofussil Districts and work with zeal and earnestness.

In conclusion I beg leave to add once more that my qualifications, the backwardness of the community to which I belong, 34 years of faithful service rendered by my father, my present Status of an Advocate and respectability of character may kindly be considered and I may be favored with the place of a Revenue Probationer now fallen vacant.

For which act of kindness and generosity I pray for your honour's long life and prosperity.

HONOURED SIR,

The humble petition of K. V. Nanjappa, Son of Mr.K.N Veerabhadraia, retired District Inspector of Education, Residing in No. 85, Cubbonpet, Bangalore City.--

The petitioner begs to bring the following few lines to Your Honour's kind notice, with the hope that it will meet with Your Honour's kind consideration and favourable orders.

1. In consequence of the encouragement shown by the benevolent Government towards the education of the Backward Classes in the State during the time of the late Dewan Sir M. Visvesvaraya, K.C.I.E., the petitioner was able to prosecute his studies at considerable expense and passed the B.A. Degree Examination of the Madras University and the LL.B., of the Bombay University and has been practising as an Advocate of the Chief Court for the past two years.

2. That his father and grand-father served the State faithfully and following their footsteps the petitioner has been anxious to enter service and serve his country and Sovereign with devotion and zeal. With this object he has been representing his case to the Government continuously for the past nearly 4 years, but his claims seem to have been totally ignored.

3. The petitioner begs leave to state that he is the first and only Advocate among the Neyige or Weaver Community

Community which is very backward in point of Education and inadequately represented in the higher grades of service. As it is the policy of the Benign Government to encourage qualified hands among the backward communities as well, the Petitioner respectfully requests Your Honour to render all possible help towards the advancement of this Community which lags behind for want of encouragement and support.

4. That the Petitioner applied for a Revenue Probationer's place in the year 1923 and tried for a Special Magistrate's place in 1924 and 1925; and on all these occasions he has unfortunately met with a sad disappointment. The Petitioner has been superseded by his juniors,and in fact, serious injustice has been done in his case; and he now prays for Justice at the hands of the Benign Government. The Petitioner further begs to add that his parents spent nearly the whole of their earnings on the education of the Petitioner, fully believing that the Government would provide him with a footing in Government Service; but unfortunately, they have been utterly disappointed and are reduced to a state of despair in their old age. He has no other influence to support his cause, except his qualification and his father's past services in the State, to help him in his attempts. The Petitioner - once more prays that his qualification -- backwardness of the Community to which he belongs, inadequate representation of the members of the Weaver Community in the Administrative and Judicial Branches of Service, 34 - years of faithful service rendered by his father in the State, approved service as an Advocate for the past two years,

years, good Credentials that he has obtained from the Judges testifying to his character and conduct of work, -- may all be kindly considered and the Petitioner favoured with the place of either a Munsiff, Special Magistrate or any other appointment in the Administrative or Judicial Branches of Service, whichever is convenient. He is prepared to go to any part of the State and work with devotion and zeal.

5. Having come to understand that a few additional Munsiff's Courts are about to be opened , and that a re-distribution of Courts is about to be effected, the Petitioner takes this opportunity to approach and request Your Honour to consider his case and favour him with a place either in the retirement vacancies likely to be caused by about the beginning of the next official year or in the opening of New Courts.

6. In conclusion, the Petitioner begs leave to add that this is a long pending case deserving Your Honour's sympathetic consideration at the earliest opportunity and prays that he may be favoured with a place either in the Judicial or Administrative Branches of Service.

For which act of kindness, the Petitioner, as in duty bound, will feel ever grateful, and prays for Your Honour's long life and prosperity.

Begs to remain,

Sir A.R. Banerji, M.A., C.S.I., C.I.E.,

Honoured Sir,

The humble petition of K.V. Nanjappa, Advocate residing at No.85, Cubbonpett, Bangalore City. The petitioner respectfully begs leave to bring the following few lines to your honour's kind notice, with a hope that his request will meet with favourable consideration and sympathy at your hands.

18 DEC 1925

As a result of the encouragement shown by the benevolent Government towards the education of the Backward Communities, the petitioner prosecuted his studies and passed the B.A. of the Madras University and Ll.B. of the Bombay University at considerable expense and self-sacrifice, so that his parents had to spend almost the whole of their earnings and are now in a state of utter despair as all the amount spent has not given them any amount of appreciable return.

That his father and Grand-father served the State faithfully and following their foot-steps, the petitioner has been anxious to enter Government service and serve his country and Sovereign with devotion and zeal. With this object, he has been representing his case to the Government continuously for the past nearly 5 years and has submitted applications at the time of filling up permanent vacancies by direct recruitment, but unfortunatel his claims have somehow been totally neglected and when he tried for the place of a Special Magistrate in the year 1925, the place was conferred on a junior who was not ~~even~~ an Advocate with little or no experience in Judicial work.

That the petitioner applied for a Revenue Probationer's place in 1923 and tried for a Special

Magistrate's place in 1924 and 1925 and on all these occasions he has somehow met with a sad disappointment. His qualification - 34 years' faithful service rendered by his father in the State - inadequate representation of the members of the Neyige Community in the Judicial service - one and a half years' experience as an Advocate and satisfactory credentials from the Judges testifying to his character and conduct of work - backwardness of the Community to which he belongs - and his repeated representations, do not seem to have received any consideration whatever at the hands of benign Government.

The petitioner having come to understand that the places of a Munsiff and Special Magistrate are about to fall vacant on account of retirements in the higher grades, and by the opening of additional Courts, the petitioner begs leave to represent his case once more, to your honour's kind consideration. It is a long pending case, deserving of consideration in the interests of justice by the benevolent Government.

For the above mentioned reasons, the petitioner prays that his case though late, may be considered and favoured with the place of a Munsiff of the last grade or that of a Special Magistrate, whichever is convenient and thus help a member of the Backward Community. He is prepared to go to any part of the State and work with integrity and zeal.

For which act of kindness, the petitioner ever feels grateful, and respectfully requests the favour of an endorsement.

the Maharaja of Mysore, BANGALORE.

Sir,

I understand that the post of a Revenue Probationer is vacant. In respectfully submitting this application to you praying that you may be pleased to appoint me as a Revenue Probationer, may I beg to bring the following for your favourable consideration?

1. I come from the Malnad, the most backward parts of the Mysore State. I have passed the B.A. Degree Examination of the Madras University.

2. I was first appointed as an Inspector of Co-operative Societies. For four years I served in that Department in the Malnad where obstacles to the movement were many and my work was considered satisfactory by my superiors. Since April 1924, I have been working in the General and Revenue Secretariat as acting First Division Clerk.

3. I may be pardoned for mentioning that the present First Member of Council during his tour in the Hassan District in 1921, inspected the Societies in my charge and referred in appreciative terms to - the progress of the movement in the Malnad parts of the Hassan District.

4. In 1918 and again in 1920, I was an applicant for the appointment of probationers, but I was unable to secure the post. (Vide endorsement herewith filed).

P.T.O.

5. My grand-father, the late Mr.Malali Kalappa and my father Mr.Malali Venkataramaiya have rendered long and meritorious service as non-official citizens to the State, particularly in the Malnad and Government have been pleased time and again to refer to them in terms of commendation. Last year, in recognition of my father's services, His Highness the Maharaja was graciously pleased to award a public service medal to him.

6. The Government have recently passed orders for the grant of scholarships &c. to students from the Malnad. As a native of the Malnad and qualified by approved service for five years and by satisfying the educational tests prescribed, I pray to be appointed as a Probationer.

I beg to submit herewith copies of testimonials for favour of kind perusal.

I beg to remain,

Sir,

Your most obedient servant,

I have known Mr.S.M.Sita Ramaiya of Saklespur and his family for many years and I hold the highest opinion of him and his family.

From his local experience, training and family traditions, I consider he is emminently suited for that class of work and would do exceedingly well as a Revenue Officer.

Mr.S.M.Sitaramiah has been known to me intimately for the six or seven years both when I was principal of the Maharaja's College and in my present office.

I am particularly pleased to have the opportunity to bear witness to his excellent character and to his qualities as a student. I have always had reason to have the greatest respect and liking for him as a student and a young man. He is a respectful and self respecting young fellow, knows where and how to appreciate merit. He was not only keenly interested in his studies, he was also an influence for good among his fellow students, in whose - interests he spent himself in activities both in and out of the College. In the students' Home, I always regarded him as an important and healthy moral factor, and I am - confident he will continue to be an influence for good - when he goes out into the world.

I wish him success -a success which I believe is assured.

I have great pleasure in certifying that I have known S.M.Sitaramaiya for the last five years in the Maharaja's College, Mysore. He belongs to a respectable family from Saklespur, and is well-behaved and clever and of hard-working habits. He was Secretary of the Literary Society in the College and showed great aptitude for organisation. His integrity of character and sense of duty will, I am sure, help him to achieve success in any calling he may choose to take up.

Dear Sir,

May I crave your indulgence for inviting your very kind attention to an application made by my second son, S.M.Sita Ramaiya, B.A., Acting First Division Clerk, General and Revenue Secretariat, for appointment as a Revenue Probationer?

I am turning 68 next May, and I am rather anxious to do whatever I can to my sons. Two of my sons are carrying on some business, while my eldest one S.Venkata Ramaiya, B.A., LL.B., is practising at Chickmagalur. As you are aware, he is also the President of th Chickmagalur Municipality. I am rather concerned, therefore, about the Clerk in the Secretariat, S.M.Sita Ramaiya. It will be evident from the testimonials, accompanying his application, that, as Inspecto of Co-operative Societies etc, his work was considered satisfactory by his superiors. I pray, if in my anxiety to have something done for my son, I do not happen to be overcautious, you will take it as a statement of an old fond parent and indulge me.

Education is very backward and some encouragement is needed for the progress of Education in our parts, like grant of scholarships etc regarding which orders have recently been passed, and selection to some extent of people of rural areas for appointments.

I thank you for the great kindness and courtesy extended in the course of the interview you were pleased to grant me. I shall be very much obliged for a favourable consideration of my son's representations,

Yours sincerely,

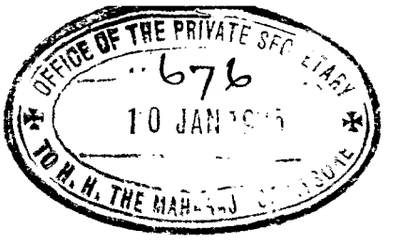
No. 676 of 1924-25



To

The Durbar of His Highness the Maharaja
Sri Krishna Rajendra Wodeyar Bahadur G.C.S.I.,
G.C.B.E.

YOUR GRACIOUS HIGHNESS,

I, a loyal subject and a humble servant beg permission to approach your Highness with the following representations for favour of your Highness' gracious considera-tions and favourable orders.

I am a descendent of a family whose members have rendered meritorious services in time past having occupied high positions in the Goverrment , during the time of Hyder Ali, Tippu Sultan, the English and your Highness' illustrious Grand-father His late Highness Sri Krishna Rajendra Wodeyar Bahadur. A brief summary of the recognised services of my ancesters is herewith submitted for your Highness' kind perusal.

For the past a generation or two, our family is merged in deep oblivion, because of the circumstances that rendered its members quite unable to venture for the attainment of any educational qualifications or to pay a conspicious part in any other walk of life. This inability on their part is entirely due to the poverty stricken condition.

Now Sire, I am a graduate of the Mysore University, having passed the B.A. degree examination in 1923, and am now under 25 years of age. Driven by the dire necessity of maintaining a large family of 12 souls, I had to seek an employment in your Highness' Government and as such I was given a start in life in the Education Department as the Head Master of the Middle School on a small pay of Rs. 50/- per month. I

am

am a Brahmin belonging to the Babbur Kamma Community. I am the only man in my family who has obtained a degree in the University.

In consideration and recognition of the meritorious services rendered by my ancestors in your Highness Government I most humbly beg to appeal to your Highness' generosity to kindly recruit me for an Amildari post at least, by bestowing on me a Revenue probationer's place, or any probationers' place in any other Department your exalted Highness may deem fit.

Sire my prayers are after all poor and humble and I beg to assure your Highness that I will prove worthy of the encourgement shown to me. With fervent hope that my humble aspiration will be crowned with success.

I beg to remain

Sire,

Your Highness' most loyal and Humble servant.

A brief summary of some of the eminent services rendered to the Mysore State by the ancesters of H.N. Subba Rao during the time of Hyder Ali, Tippu Sultan, the English and also during the time of His late Highness Sri Krishna Raja Wodeyar Bhadoor.

-O-

1. Thammajee punt - Fouzdar :- In the year 1799 A.D. when Seringapatam was taken by the English and when His late Highness' coronation was celebrated, Fouzdar Thammajee punt took most active steps in bringing about a treaty with the British. The forces - - stationed ay Nandidroog, Maddagiri and Pavagada, which still - resisted the authority of the British and even engaged them in a battle, were afterwards brought to peaceful terms chiefly through the exertions of the Fouzdar. In the year 1807, as the Fouzdar - being an officer of eminence and long standing and very familar with the affairs of Mysore and Croog was selected by the Mysore - Government to help the commanding officer Mr. Peile, the Resident, in settling the boundary disputes between Mysore and Croog. The details of the same are found in Croog History. In conjunction with General Harris, he also had the honor to introduce for the first - time the Amrit Mahal system into the Mysore and British territories. Retiring on pension he died.

II. Mr. Venkata Krishniah Fouzdar :- He held Fouzdari as also Munsiffship of Sudder - Court in the 4th Division namely Bangalore. He got the Fouzdari on being sent out by the Assembly or the - Council which was held at Mysore for arresting Surjappa Naik, - Pallegar, whom he had the valour to arrest and sent to Major - Lushington, the then Commissioner. An order in Maharatti given by the then Highness on 2nd May 1831 shows conclusively what high regard and confidence was placed in the Military tact of his distinguished individual, who displayed great military tact in suppressing the - revolt of the Pallegars and putting a stop to their inroade in the Mysore Province. Subsequently in the arrangement of appointment of Superintendents to the 4 divisions, he was made to hand over charge of the Fouzdari to Captain Chalmere, Superintendent of Astagram - Division and promoted to the Munsiffship of the Mukhand Sudder Court and died after serving the Government uninterruptedly for a period of 60 years.

III

III. In recognition of the services of Fouzdar Venkatakrishniah and of his sudden death in Nagamangala whither he was sent by the Government to enquire into the complaints against the Amildar of the Taluk, Sir M. General Cubbon, the then Commissioner was pleased to issue orders to Major Montgomery, the Superintendent of the Astagra Division to confer an Amildari on his son Puttappa, minor holding a family pension of 10 pagodas. After a creditable service of 30 year he died a pensioner.

Sire, I am the great grand son of the aforesaid Mr. Venkata krishniah, Fouzdar who served the Government uninterruptedly for a long period of 60 years. In recognition of his meritorious though humble services, my humble appeal may kindly be considered, and my prayer gratified.

I beg to remain,

Sire,

Your most humble and obedient servant.

MAHARAJA OF MYSORE

Bangalore
20.1.25

The humble Memorial of Muhammad Saleh, B.A., nephew of the late Khan Bahadur, Jowhar-i-Majlis, Mr. Muhammad Ali, Deputy Commissioner, Mysore Service.

May it please Your Highness,

That Your Highness' humble memorialist most respectfully approaches Your Highness with the following few lines in the earnest hope that his efforts will be crowned with success.

That Your Highness' humble memorialist has taken the B. A. Degree of the Madras University in the year 1918, and has also passed the First Examination in Law of the same University.

That Your Highness' memorialist is the nephew (own brother's son) of the late Khan Bahadur, Jowhar-i-Majlis, Mr. Muhammad Ali, who after a meritorious service both before and after the Rendition, in Mysore, retired as a Deputy Commissioner.

That in consideration of Your Highness' memorialist's uncle the late Mr. Muhammad Ali's services to the State and of the work he did to ameliorate the condition of the people the Government of India was pleased to confer on him the distinction of "Khan Bahadur" in 1877.

That in recognition of the said Mr. Muhammad Ali's loyal attachment to the throne of Mysore and in appreciation of his further exemplary services to the State and its people His late Highness Sri Chamarajendara Wadiyar Bahadur, G.C.S.I., Maharaja of Mysore, was pleased to confer on him the title of "Jowhar-i-Majlis" on 17th October 1893. Further he was exempted from "Kamar-bund" on the functions of Durbars by Her Highness the Maharani Regent in January 1897.

That Your Highness' humble memorialist is also the nephew (first cousin's son) of the late Khan Bahadur, Mr. Muhammad Saliha, Assistant Commissioner, and Musaheb to His late Highness Sri Chamarajendara Wadiyar Bahadur, G.C.S.I., Maharaja of Mysore.

That Your Highness' humble memorialist is the only graduate at present existing in the direct line of the deceased Jowhar-i-Majlis, and the claim which Your Highness' memorialist has on the generosity of the Government of His Highness, in view of the distinguished career of his uncles in the Mysore State, has long remained unrecognised.

That Your Highness' humble memorialist had submitted a memorial to Your Highness for Nomination to the Mysore Civil Service in 1919, and a few original certificates attached to the aforesaid memorial are still with the Government of Your Highness.

That Your Highness' memorialist craves Your Highness to be graciously pleased to confer on him an appointment as a Revenu Probationer, for which he is best fitted by qualifications, claim, and nob descent ; and should Your Highness deign to confer on him the bo solicited, himself and all the members of the families of the late Kha Bahadur, Jowhar-i-Majlis, Mr. Muhammad Ali, and the late Khan Bahadur Mr. Muhammad Saliha will ever pray for Your Illustrious Highness' long life and prosperity.

A copy of the testimonial-book is herewith enclosed.

Sir,

I beg to offer myself as a candidate for the post of probationary amildar and to bring the following few lines to your kind notice.

I have the honor of taking the B.A. degree of the University of Mysore in the year 1922, and the L.L.B.degree of the Bombay University in 1924. I am now 25 years old.

I belong to a respectable family which has served the Mysore Throne for more than a century, and in consideration of the services rendered by my ancestors to the Mysore Durbar in the eighteenth century, the senior members of our family are even now receiving a royal pension which has been the pride and the asset of the family. My parents though poor, educated me entirely with a view to see me serving the Mysore Throne. All along my educational carrear I chose Kanada as my second language, and as a recognition of my humble abilities I was an elected Secretary of the Mysore Maharaja's College " KARNATAKA SANGHA" for the year 1920-21.

Believing my humble application and the certificates herein enclosed will receive generous treatment at your hands.

"Lo! to subjects, a source of hope and mirth.
"*Badshas* are virtues' fount and mercy's mine:

GRACIOUS SOVEREIGN AND PARENT-RULER!

MAY IT PLEASE YOUR BENEVOLENT HIGHNESS,

I, the undersigned, most reverentially implore the grace of Royal condescension to bow in veneration at the fostering foot of the Mercy-replete throne of our father-like benignant MahaRaja of Mysore, with the subjoined humble filial prayer in the hopeful confidence of seeing the same coming out crowned with the lustrous laurels of blessed compliance from the mercy-seat of the Mysore throne. The Sovereign is the fountain-head of Mercies ["It is mercy- becometh the throned monarch better than his crown. .... It is enthroned in the hearts of Kings; it is an attribute to God himself." — Shakespear's Merchant of Venice, Act IV.]; and Royalty is compounded of the fertilizing sources of the blithesome streams of general beneficence and of universal charity and blessedness ["The happy Feridun- of Persia- was not an angel; neither was formed of musk or ambergris-. He gained his reputation by justice and liberality: be thou just and liberal, and thou wilt be a Feridun"—Persian verses translated by Sir William Jones]. In the creed of a Moslem, the ruler is styled "Zillullah," that is, God's shadow upon the earth; hence, a Sovereign, being God's anointed deputy on earth, is esteemed to be common father of his subjects of all colours, castes and creeds — As the Heaven's doors are open to petitions of Creatures, so Sovereign's threshold should be broad-free in indulgent parental benevolence to the supplications of subjects of all races, castes and creeds. With this eulogistic exordium on royal virtues, I proceed to open my humble supplications, thus:——

I am the Mogul of the race of the world-renowned Changis, being descended from his 3rd son Chagatai Khan; and belong to the same tribe of Chagatai Barlas or Birbas to which Taimour the Great of Asia belonged. The advent of my ancestors into India was coincident with the invasion of

Babar in 1526 who overthrew the Lodi dynasty of Delhi in the first battle of Panipat. This family was represented in India by its first progenitor Tardi Beg Khan, who served Babar very faithfully (and with much devotion), and shared in the misfortunes of his lenient son Humayoon attendant on his expulsion from India by Shere Shah Soor. It was through the efforts and tactful behaviour of Tardi Beg Khan that Akbar peacefully ascended the throne after the death of Humayoon by a fall from the staircase; and in respect of this event, we find the following in Col. Malleson's Akbar:—

"Tardi Beg was a Turki nobleman, who, in the contest between Humayoon and his brothers, had more than once shifted his allegiance, but he had finally enrolled himself as a partisan of the father of Akbar. When Humayoon died, it was Tardi Beg who by his tact and loyalty succeeded in arranging for the bloodless succession of Akbar, though a son of Kamran was in Delhi at the time" — Col. Malleson's Akbar, Chapter VIII, page 67.

"Tardi Beg Khan, the most eminent of all the nobles at the capital and actually Governor of the City, assumed on the spot the general direction of affairs. His first care was to conceal the incident from the public until he could arrange to make the succession secure for the young Akbar, to whom he sent expresses conveying details. By an ingenious stratagem he managed to conceal the death of the Emperor for seventeen days. Then, on the 10th of February, he repaired with the nobles to the great Mosque, and caused the prayer for the Emperor to be recited in the name of Akbar. His next act was to despatch the insignia of the empire with the crown jewels, accompanied by the officers of the household, the Imperial Guards, and a possible rival to the throne in the person of a son of Humayoon's brother Kamran, to the head-quarters of the new Emperor in the Panjab" – Col. Malleson's Akbar, Chapter VII, page 64.

In my "Coronation Song" composed on the occasion of the auspicious Coronation of His Most Gracious Imperial Majesty GEORGE V., I have written thus in page 9; and I most submissively supplicate the royal grace of condescension of your learned Highness for the merciful lection of its enclosed copy:—

"*Tardi* was gem of *Tatar*-race;
"His son, on *Khaisar*, invokes grace.
"Abbas! forsake not loyal fire;
"Propped once was Akbar by thy sire."

"Vide Col. Malleson's Akbar, pages 64—68, Rulers-of-India Series."

There was rivalry between Tardi Beg Khan and Beiram Khan, the Regent during the minority of Akbar; and when Tardi Beg Khan was defeated by Hemu under the very walls of Delhi, a few days before the famous

at the battle of Panipat, Bairam sought a pretext in the rashness of this famous Turkoman nobleman to destroy him. In respect of this cruel misconduct, historical references run as follows: —

"After his defeat by Hemu, he (Tardi Beg) had, it is true, in the opinion of some of the other nobles, too hastily evacuated Delhi; but an error in tactics is not a crime, and he had at least brought a powerful reinforcement to Akbar in Sirhind. But there had ever been jealousy between Bairam Khan and Tardi Beg. ×+×+×. On the arrival of the latter at Sirhind, then, Bairam summoned him to his tent and had him assassinated. Akbar was greatly displeased at this act of violence, and Bairam did not succeed in justifying himself" — Col. Malleson's Akbar, Chapter VIII, page 68.

Foot-Note on the above: — 'Akbar was displeased. Bairam's hasty act was one of the chief causes of the distrust with which the Chagatai nobles looked upon him.'

"But his (Bairam Khan's) character was unbending and harsh; the Sunni Turks and Mughals hated him: and his violent action in slaying the ill-starred leader of the garrison of Delhi after Hemu's success there, was a blunder as much as it was a crime. For that leader was a prominent Mughal nobleman of the kingly line of Chagatai; and his slaughter, while it may have seemed to remove a rival from the minister's path, caused alarm and anger to the other Mughal chiefs" — Text-Book of Indian History for Indian Schools by H. G. Keene— Chapter V. Section I, page 120.

After the aforesaid murder of Tardi Beg Khan, the family declined in space; and, after various vicissitudes and reverses, it migrated at last to Kolar of the Mysore country. A pension of ten (10) Rupees *per diem* was assigned for the maintenance of its later members; and this handsome allowance dwindled away by lapses, subdivisions etc., during the prolonged course of the last four centuries; and now I hold Inam Title Deed No. 31527 of the Mysore Government dated 1st October 1873 for a ridiculously reduced annual payment of fourteen rupees and a half. These facts are borne out by the Persian Histories of that period; but I have made references to English works alone in view to facilitate ready substantiation and easy corroboration. This diminution of the allowance evokes no pain in my mind, when I remember the fact that the Imperial princess Sultan Bano, the grand daughter of the last Mogul Emperor Mohammed Bahadur Shah, who, after the Mutiny of 1857, was deported to Rangoon in 1858, was enjoying, in Delhi, as late as August 1904, an insignificant maintenance allowance of five rupees a month at the charity of the British Government. I am a devoted servant of the paternal Mysore throne and I have been a frequent encomiast of Your Highness and of the Mysore *Sahit and Taj*, through the "Khasim-ul-Akhbar" of Bangalore, as the events of joy and sorrow transpired.

I hold letters of thanks from the quondam Viceroy of India His Excellency Lord Curzon and from His Excellency the Right Honourable Lord Stamfordam, Private Secretary to His Most Gracious Imperial Majesty George V, in response to my writings in connection with the various events of joy and woe of the August Imperial British throne. I am an octogenarian; and have many grandsons, one of whom, Mr. Basheerod Dein Ahmed Sahib graduated and took the B. A. degree in the Mysore University in 1924 with Kanarese as his 2*nd* language. He was born on 11*th* July 1904; and now he is a clerk on Rupees 45 in the Tumkur District Office. The maternal ancestors of this youth served in the British army (the 36th M. N. I.) with fame as Subedars of great heroic mettle — they operated in the First Burmese War of 1824 - 26; in the exploit that gave Coorg to the British and in the Second Afghan War of 1878-80. Further to be plain, his immediate maternal ancestors Subedars Syed Dawood Sahib and Syed Roshan Sahib and Jamadar-Adjutant Sheik Hosain served with talent, loyalty and fame in the 36*th* Madras Native Infantry — This regiment has now been disbanded, the very Madras Corps being abolished; but their names can be traced in the Madras Army Lists from 1840 to 1883; and his maternal uncle Syed Abdool Guffoor served in the 27th Madras Native Infantry during the Third Burmese War of 1885—7, which resulted in the annexation of Upper Burma — and his War — Medal No. 1235 of that campaign is in my possession; and the Commissions of these military officers also are now in my hands.

When I have the paternal Sovereign, the MahaRaja of Mysore [May his throne and rule endure for ever! — Amen!] immediately above my head ready to take me under fostering wing and sheltering royal munificent shadow, why should I not dutifully partake of such royal bounty under which so many flourish praying in gratitude, and, overstepping, leap into the arms of the Suzerain British power for the condescension of any patronizing favours?

The retired First Councillor of Your Highness Mir Hamza Husain Sahib Esquire, B. A. and B. L., "Masheer-Ul-Mulk," has a condescending insight into the affairs of my illustrious but now decayed family; and can be pleased to bear honourable testimony to the veracity of all my allegations; and any further corroboration can be obtained by a merciful enquiry through the Deputy Commissioner of Tumkur before whom I shall produce all the references, when ordered to do so.

O Worshipful Royal Sire of Mysore! — I implore for the grace of enlivening royal patronage in behalf of the above-named Mr. Basheerod Dein Ahmed Sahib, B. A. in fresh reinvigoration of my illustrious but now fallen family —

As, from above, Heaven's gates, mercies, pour;
Doors Royal, here, should one in bounties, store.

It is afloat that a scheme for taking youthful recruits for Revenue Probationers in the Mysore Service is to come into operation ere long.

"I throw this youth into, sovereign's lap,
"For nourishment blessed and healthy sap."

I bow in humble obeisance, before the Royal Presence, with hands joined in veneration; and prostrate in entreaty before the mercy-blended throne of Your Highness for the royal condescension of boons in respect of this educated youth; and beseech that royal commands may issue from the mercy-fountain of the Mysore throne in regard to the bestowal and gift of a Revenue - Probationership upon him.

These royal bounties for the uplift of a decayed but once renowned Mohammedan house of India will be engraven on the grateful tablet of my aged heart; and I shall sink down into the grave in benedictions and with prayers for the longevity and prosperity of Your Highness and for the perpetuation of the blessed Mysore Raj.

My final breath, as it from body flies,
For bounties, on Mysore, to Heaven, cries.
My locking lips, in final mutter, meet,
For Mysore Royal, in benisons sweet.

Every blade that grows on my grateful tomb;
Each leaf that doth, on my sepulchre, bloom;
When swayed by winds, shall always, praises, sing —
— For Mysore Raj, will benedictions, string.
Each drop, as from clouds, on my grave, doth fall,
On Mysore Raj, will blessings, grateful call.
As, on my turf, the sun and moon do stare,
On Mysore throne, they invoke blessings' share.
Those eyes of Heaven, beaming on my grave,
For Mysore, from Heaven, will, bounties, crave.
Unlock, herefor, O God ! thy countless store;
Choicest boons, upon Royal Patron, pour ! — Amen!

I beg to remain,

GRACIOUS SOVEREIGN,

the dutiful subject and the most obedient servant and devoted slave

OF YOUR HIGHNESS,

Mirza Abbas Beig
